From: Coordinator, NAVSEA Standard Specification for Ship Repair and Alteration Committee (SSRAC)

Subj: FINAL REPORT OF AUGUST 2008 SSRAC MEETING (FY-10 STANDARD ITEMS AND APPENDIX 4-E)

1. Southeast Regional Maintenance Center (SERMC) hosted the annual SSRAC meeting 29 July - 01 August 2008, in Jacksonville, Florida. All SSRAC products, including FY-2010 NAVSEA Standard Items (SI) and Appendix 4-E of the Joint Fleet Maintenance Manual (JFMM) Volume VII, Chapter 4, are available on the official SSRAC Web site by clicking the "What's New" link at: **http://www.sermc.surfor.navy.mil/ssrac1/index.htm.**

2. The FY-10 Standard Items and Standard Phraseology (Section A) shall be invoked for all CNO availabilities with an availability start date in FY-10 and in all other (CMAV and emergent) new procurements issued after **01 February 2009**. Standard Phraseology (Sections B-G) changes are effective upon receipt.

3. SSRAC Coordinators are responsible for advising users within their respective activities and MSR contractors under their cognizance of the availability of these products.

4. The Master Specification Catalog Maintenance Office should ensure that phraseology changes as well as Table/Line changes resulting from the revisions to SI 009-32 are incorporated into the Standard Work Templates and Class Standard Work Templates.

5. The requirements of this letter do not authorize any change in terms, conditions, delivery schedule, price, or amount of any Government contract.
